WORK EXPERIENCE

Charles River Associates

Los Angeles, CA

Economic Consulting Analyst

August 2025 – Present

- Used Stata to clean, merge, and analyze 45+ administrative, payroll, and timekeeping datasets for 2k-67k employees (10k-64 million observations per dataset) across 8 cases to estimate client exposure in labor and employment litigation.
- Produced 65+ client- and court-ready tables, figures, and estimates consistent with expert and firm standards using Excel.
- Delivered reproducible and defensible analyses under fast-paced, court-imposed deadlines.
- Balanced demands from simultaneous cases, proactively communicating time constraints with project managers.

Chipper Cash

San Francisco, CA (Remote)

Product Analytics Intern

May 2024 – December 2025

- Implemented differentiated pricing for 400k+ users, leading to increased user retention and contribution margin growth.
- Self-taught advanced SQL (CTEs) and deployed 50+ queries to production-level business intelligence analyses.
- Accepted offer from senior management to extend summer internship by six months based on contributions.

Grinnell College Department of Economics

Grinnell, IA

Academic Research Assistant

May 2023 – August 2023

- Constructed figures, applied econometric analysis, analyzed methodology, and wrote sections in four papers.
- Coauthored paper on the impact of LLMs, take-home exams, and the inverted classroom on problem-solving skills.
- Conducted 20 in-depth literature reviews to contextualize research and identify gaps within the existing work.
- Analyzed field data on time use to estimate lower/upper bounds of unreported child care by mothers.

Meyer Davis Studio, Inc.

New York, NY

Intern to Business Manager

May 2022 – August 2022

- Systemized 14 years of financial documents, processing 2, 500+ pages into a 30-page report for transitioning financial data between tracking software, reducing the firm's fixed costs and improving operational efficiency for project managers.

LEADERSHIP

Economics Student Educational Policy Committee

Grinnell, IA

Elected Leadership Position

May 2023 – May 2025

- Led four job searches as a student liaison to the faculty—authoring hiring recommendations on behalf of students.
- Facilitated networking, relationship building, and career exploration by hosting four events per semester.

Economics Department Teaching Assistant

Grinnell, IA

Distinguished Academic Position

January 2023 – May 2023

- Drove highest mentee participation compared to previous years—averaging an attendance rate of 42.1% per session.
- Helped increase median student exam scores by 23.7% from Exam 1 to Exam 3, leading to a higher grade distribution.
