WORK EXPERIENCE

Charles River Associates

Economic Consulting Analyst

Los Angeles, CA

August 2025 – Present

- Owned end-to-end analytical workflows (intake → cleaning/merging → QA → estimates) across 8 cases, handling 245+ client datasets with 2k-67k employees (10k-64M obs. per dataset) to calculate client exposure and inform case strategy.
- Produced 65+ client- and court-ready tables, figures, and estimates consistent with expert and firm standards using Excel.
- Delivered reproducible and defensible analyses under fast-paced, court-imposed deadlines.
- Balanced demands from simultaneous cases, proactively surfacing tradeoffs and aligning timelines with project managers.

Chipper Cash

Product Analytics Intern

San Francisco, CA (Remote)

May 2024 – December 2024

- Owned pricing segmentation strategy and rollout for 400k+ users; built SQL KPI monitoring and automated reporting to track retention/margin impact and operationalize ongoing decision-making.
- Self-taught SQL to build 50+ production queries used in BI analyses on pricing, growth, and operational decisions.
- Invited by senior leadership to extend internship an additional six months based on performance and impact.

Grinnell College Department of Economics

Academic Research Assistant

Grinnell, IA

May 2023 – August 2023

- Coauthored paper on the impact of LLMs, take-home exams, and the inverted classroom on problem-solving skills.
- Analyzed methodology, applied econometric analysis, constructed figures, and wrote sections in four papers.
- Conducted 20 in-depth literature reviews to contextualize research and identify gaps within the existing work.

Meyer Davis Studio, Inc.

Intern to Business Manager

New York, NY

May 2022 – August 2022

- Built a standardized system for consolidating 14 years of financial documents, 2,500+ pages, through a tracking-software transition, reducing the firm's fixed costs and improving operational efficiency for project managers.

SKILLS

Technical Skills: SQL, HTML/CSS, JavaScript, Stata, Excel, R, L^AT_EX, Microsoft Office

Languages: English, French, Portuguese

Interests: Climate/sustainability, FinTech, AI, languages, climbing/backpacking, public health

LEADERSHIP

Economics Student Educational Policy Committee

Elected Leadership Position

Grinnell, IA

May 2023 – May 2025

- Led four job searches as a student liaison to the faculty—authoring hiring recommendations on behalf of students.
- Facilitated networking, relationship building, and career exploration by hosting four events per semester.

Economics Department Teaching Assistant

Distinguished Academic Position

Grinnell, IA

January 2023 – May 2023

- Drove highest mentee participation compared to previous years—averaging an attendance rate of 42.1% per session.
- Helped increase median student exam scores by 23.7% from Exam 1 to Exam 3, leading to a higher grade distribution.
